Thinking of Getting a Shepherd?

The German Shepherd Dog is a high-energy and intelligent breed. A household which will keep their dog's brains, paws, and jaws busy is the best fit. Look for a breeder who wants to know you and a friendly puppy or adult with health-tested parents.

OUR CLUB REGULARLY OFFERS CLASSES FOR ANYONE WHO IS SEEKING OBEDIENCE TITLES, A CANINE GOOD CITIZEN, OR JUST GOOD MANNERS AROUND THE HOUSE.
ALL BREEDS ARE WELCOME!

Shows

In the Fall, we hold a two-day show with conformation classes for our breed and all-breed obedience and rally competitions. In the Spring, we host a one-day match for the same events. For those not ready to compete and wishing to learn more, both are good venues to watch – possibly meet a mentor — and have fun!

We hope you'll join us for a meeting, a show, or a class!
