Meet Dolly, a beautiful two-year-old girl who has good command of sit, down, stay and heel to go along with a high ball drive. Her foster pop thinks she's a good candidate for agility.

Dolly has excellent manners on neighborhood leash walks, which is good since this she would require daily exercise. Dolly is an indoor dog, who is *not* a window barker.

Dolly's original owner was a single male. It will be best not to place her in a home with small children.

Dolly's foster home has two cats and four dogs. She is good with the cats. She has alpha "issues" with females, but will integrate well with male dogs. •

GSDs “Steal” Freedom Fest 2004 by Freddie Forrester

It was a beautiful fall weekend with perfect blue skies, that accented the grand air displays at Freedom Fest 2004 in Camden, SC. This year the show was blessed with the reunion of the Tuskegee Airmen and a wonderful air show by the Air Force Thunderbirds. But once again, the GSDs stole the show. Johnny Mayo’s War Dog of Vietnam, as usual, is always one of the best exhibits.

The German Shepherd dogs are the greatest ambassadors for the War Dog exhibit. On Friday as we were setting up, we discovered this was a local school’s field-trip day. Bubba (proudly owned by John and Freddie Forrester) was approached by a teacher with a group of mentally-challenged and autistic children. He was a hit with the kids, but touched one autistic child in a very special way. The child attempted to say his name and petted him awkwardly, but Bubba responded by sitting close to him and

laying his head on the boy’s shoulder. Needless to say this was a very emotional moment. The boy didn’t want to leave him. The teachers said that of all they had seen and done, this encounter was the one that excited the children most. They all wanted to get their picture taken with him. This touched me as it did them.

GSDs on hand —

Our **Bubba**, a dog that can do no wrong.

Dixie Whitman brought her charming 14-year-old **Sierra** and her **Katie**.

Harley, a 90-pound female that came from PA with Jeff Jackson, and demonstrated her search & rescue skills.

Champ, Ann Wilkerson’s pride and joy.

Rhett, a rescued dog, handled by a Vietnam dog handler, Pete Peters.

Wolf, another of Pete’s rescued dogs, handled by his girlfriend Joanne Goodhue (also a search & rescue dog).

And of course the main character in Johnny’s new book, **Buck’s Heroes — Buck** himself and **Nakita**.

People from last year came back hoping to see the same dogs again, they even remember their names. The group has become a “family unit” and the dogs all respond well to all the noise, confusion and long hours.

It was a great group. They are truly wonderful ambassadors for a fitting tribute for Veteran’s Day. •

Pills for Pets by Debra Eldredge, D.V.M.

Pills for Pets, is truly an A to Z guide to drugs and medications for your animal companion, from dogs to horses, from iguanas to cats! This book was awarded the Muse Medallion for Best Health and Care Book for 2003.

Pills for Pets is a comprehensive, easy to use listing of prescription and over the counter drugs - including cautions, possible side effects, and drug/food interactions. Deb Eldredge makes it very clear that the information in her book is to

allow pet owners to supplement their knowledge about veterinary care, not replace it.

Dr. Eldredge gives advice and cautions about homeopathic remedies, herbal treatments, vitamin and nutritional supplements; all of which are becoming very popular with pet owners. Her book also helps pet owners in choosing the right veterinarian and pet

insurance. She also touches on emergency first aid and how to provide long-term nursing care for animals, as many of our pets are living longer.

Of interest to anyone who wanted to save money by buying medications and fad diets on the web, a must read is chapter 7 which makes you aware of the dangers of Internet purchases. •

Rio, Agility Victor *continued from page 1*

For the High In Trial award, the winning dog had to be the highest scoring dog from Regular Standard class with the highest averaged combined score from Wednesday & Thursday's trials. This award is open to all dogs competing, all levels (Novice, Open & Excellent) in the Standard class. A total of 30 dogs were entered to compete for this title.

Rio placed second in his Jumpers run and first in his Standard run on the first day for a total of 200 points. There were four other dogs that also qualified in both runs on the first day (with 200 points). The first day's combined times found Rio in first place by the slimmest of margins — .61 of a second. A very slim lead, indeed.

On the second day, three of the five dogs failed to qualify in the first run in the morning. One other dog, Otto, who ran before us qualified in his run so we had to run clean in order to continue our quest. We ran

clean and took a another first place in the process. Otto again ran before us and ran clean in his Jumpers run in the afternoon. So, again, we had to run clean in our Jumpers run in order to win the title. We did, and took a Third place in Jumpers in the process.

Both Rio and Otto had 400 points for the two days. Rio's combined time for his four clean runs was 163.96 seconds. Otto's combined time for his four clean runs was 210.75 seconds. Rio's time was an amazing 46 seconds faster than Otto.

His two first-place finishes in his Standard runs (200 points) and fast times (combined 33 seconds under standard course time), earned him the High In Trial award over the other 29 dogs entered.

Rio is 7 1/2 years old. We are very proud to say that we bred him, and his sire as well. He is the first ever MACH GSD bred by,

trained by and handled by his owner.

Rio is a high drive, extremely bright dog that is talented in other areas as well. He earned his CD and CDX titles in 3 trials each. His scores, 195, 196 & 197, in the Open class, would have earned him a Dog World Award (if they gave them anymore).

Rio enjoyed herding (HIC) and also took his class in the two conformation shows in which Jerry showed him. And he is amazingly intuitive when he visits facilities as a therapy dog.

Rio will be competing in the 2005 AKC Agility Nationals and is going to keep working towards his MACH3. It is not so far away. After that he might try tracking (maybe a VCD title?) and perhaps go back and see how far he can go in Obedience, a UDX or an OTCH would be a nice way for him to start his retirement years. •

Call for Interest in 2005 Team Obedience

As you may know, last year our obedience team took first place at the 2003 Nationals in the Team Obedience competition. While we know that the 2005 Nationals are a ways away we want to start thinking about next year's team since Nationals are in near-by North Carolina.

While the details of the team are still being worked out, we are looking for anyone who might be interested in Team Obedience. At this point, potential participants must be club members who have a GSD that has or is expected to have at least a CD by Summer

2005, and be willing to commit to frequent training and to attending (at your own expense) the GSD Nationals in North Carolina in October 2005.

If you think you might be interested, please email Ken Wallace at GSDCGuardian@earthlink.net by December 20, 2004.

While this deadline does not mark the "actual" deadline for getting involved with the 2005 team, it's an internal deadline to help us determine how many people might be interested in participating. •

BOO!

The Club Historian,
Faith Wallace, is
looking for photos of
your GSDs in
Halloween costumes.

Please email any
photos to
faithwallace@earthlink.net
of mail them to
2382 Sainsbury Dr.,
Kennesaw, GA 30152
(mailed photos will not
be returned).

Our thoughts and
our prayers are with
Becky Barton
on the loss of her
son, Mark Holcombe.

The purpose of the committee will be to have ties to other organizations that further their goals rather than be part of only one organization. Being a committee of the GSDCA, they can then work with regional clubs to keep them abreast of information on animal rights and advocacy issues.
