Come to club meetings, bring your dog and learn. Last month our program featured a demonstration on grooming the dog's feet and coat.

If you missed it and want to know more come to the May meeting with your questions. You will not want to miss May program.

Pictures from the spring Match are now on our site. WWW.gsdatl.org. Go to the home page, click on photos. See if you or your dog can be found. Over 136 people with dogs attended.

THE CLUB

Records are vague, but it seems that The German Shepherd Club of Atlanta was founded in the 1950 when a small group of breeders and owners interested in the German Shepherd Dog met in Atlanta Georgia. Their purpose was the improvement of the breed. Today the Clubs goal is the same. Through programs and activities members learn about all aspects of the German Shepherd Dog, including mental and physical development; the breed standard, working ability, breeding, care and rearing of puppies, etc.

Programs are presented at monthly dinner meetings held on the second Thursday of each month, except for July, October and December. The meeting is at 8:00 pm unless changes are published in the Guardian. Both prospective members and non-members are welcome.

The club holds numerous special events including two breed Specialties a year, one in April and one in October which includes Obedience and rally. Puppy matches, Temperament Testing and AKC Good Citizen tests are often scheduled through the year.

In July, at the Annual Awards Banquet, trophies are presented to members whose dogs have earned titles over the year. A Holiday party is held in December. If there is an interest, show handling classes are offered to members.

CLUB MEETINGS - Held on the 2nd Thursday of each month at 8 PM, EXCEPT FOR JULY, OCTOBER AND DECEMBER. Visitors welcome, no need to call, just come.

DIRECTIONS TO CLUB MEETINGS Location: Humane Society at 981 Howell Mill Road NW Atlanta, Georgia 30318. Specific directions are on the GSDC of Atlanta site (<http://www.gsdcatlanta.org/>) which you can find with this link.
