THE CLUB

Records are vague, but it seems that The German Shepherd Club of Atlanta was founded in the 1955 when a small group of breeders and owners interested in the German Shepherd Dog met in Atlanta Georgia.

The first president was Mrs. Michelle Leathers Billings who passed away in October 2013. Their purpose was the improvement of the breed.

Today the Clubs goal is the same. Through programs and activities members learn about all aspects of the German Shepherd Dog, including mental and physical development; the breed standard, working ability, breeding, care and rearing of puppies, etc.

Programs are presented at monthly meetings held on the second Thursday of month, except for July, October The meeting is at 8:00 pm unless changes are published in the Guardian. Both prospective members and non-members are welcome. The club holds numerous special events including two breed Specialties shows each year, which includes Obedience and Rally. Puppy matches, Temperament Testing and AKC Good Citizen tests are often scheduled through the year.

In July, at the Annual Awards Banquet, trophies are presented to members whose dogs have earned titles over the year. A Holiday party is held in December. If there is an interest, show handling classes are offered to members.
