Message from the President

Thank you! Thank you! I'm so proud of our club members who rose to the challenge of a COVID-19 challenged dog show and various other issues. I so wanted to attend but my body just refused to cooperate. Hats off to those entered, those who filled in when help was needed and those who learned the hard way what it takes to pull off a dog show. Everything I hear has been of a club who pulled together and got a great job done. When you can't imagine another problem, we needed a judge to fill in for ours who couldn't travel and judge. Jennifer Root, thank you for graciously agreeing and we appreciate you.

Now for our next challenges. 2021 show will be here soon, and we need a plan. We may need a new meeting location Blue Pearl is still an uncertainty. But no matter our challenges I'm sure we will figure it out. Hope to see several of you at the National.

About This Newsletter

We had planned to have brags from our club members after the shows earlier this month in Augusta. Unfortunately, the official photographer had some issues so many folks don't have their pics yet. But we do have a couple of brags in this edition for your enjoyment!

We hope to fill our October issue with brags from our shows, other shows, Futurity/Maturity, and the National.

AND FINALLY...

Our May shows turned into September shows and they are now in the books! It was fun and exhausting! There were so many club members that pulled together to make these shows a success!! Morgan and I want to express our sincere gratitude to the following club members that came out and helped in some extreme heat, wind, and of course, some rain.

Marilyn Boretz assisted our chief ring steward Friday to “learn the ropes” and did a great job!

Holly Bryan stepped in Friday morning to ring steward when the Augusta club’s ring steward was ill. Holly rose to the occasion to help another club so the show could go on. She also assisted with our chief ring steward on Friday afternoon.

John Conely arrived on Thursday and helped put up tents, and temporary fencing for Fast CAT.

Nancy Harper-Mulvaney assisted Joyce at our Saturday afternoon shows. But secretly I think she enjoyed showing off her adorable puppies more than ring stewarding.

Mindi Kelley-Chase made four beautiful raffle baskets full of wonderful items! They were a huge hit. She spent her own money for almost all the items to benefit our club. This raffle made our club **\$55**. Mindi was also my unofficial assistant throughout the four days in Augusta. She worked hard to keep me in line and somewhat sane. I certainly would not have survived without her.

Joyce Quick was our chief ring steward both days and did a fabulous job keeping everything running smoothly in the conformation ring! Being chief ring steward is an important job and Joyce was the ultimate professional.

Barbara Stamper & Jessica Ball brought the club tents, coolers, drinks, and ice each day. The handlers & workers really appreciated the cold drinks because it was HOT in Blythe, GA. Barbara helped sell catalogs too.

Erika Tracey was there to assist with temporary fencing for Fast CAT and was there the next three days to help the Fast CAT folks. I believe her girl Sparrow came home with a new title, BCAT. Great job!

We can’t forget the **Fast CAT** folks. Our club sponsored the Fast CAT events, 2 per day for 3 days. These are some hard-working people!! They were not really in a prime location....no shade whatsoever!! But they made the best of it and worked extremely hard to put on these events. Sharon Webb and her husband Gary of Speed Dog Coursing did an amazing job and we can’t wait to work with them again in the future! Great attitudes from Sharon, Gary and all their workers! It was absolutely a pleasure to work with these folks. **FYI – sponsoring these events brought in \$651 for our club!!!**

A HUGE THANK YOU FOR YOUR HARD WORK!

TIMES ARE CHANGING AND WE NEED TO CHANGE TOO!

By Ren Lewis

Maybe it's time for a reality check. We've seen many specialty clubs fold over the last few years. But why? Could it be because the members are aging and we aren't doing enough to attract younger new members? Could it be because times are changing and many refuse to change? Could it be because most clubs can't financially afford to hold only conformation shows? There are many reasons that clubs are folding.

Perhaps we need to be open to new ideas. Maybe it's time to look outside the box for innovative ways to grow our clubs so we remain strong and viable. The world of dog shows and clubs are very different than they were even 10 years ago.

Mentoring is a great way to get new folks into the dog world. Remember when you started? I certainly do and I had a great mentor. What would you do if a newbie came to you to discuss the possibility of showing their own dog? Would you laugh and tell them it's impossible to win without a professional handler? Or would you encourage them to give it a try? I'd like to think you'd encourage them but the reality is that some wouldn't encourage them. Worse case scenario is that they try and then realize they aren't very good at handling but become "hooked", so they go out and hire a pro. Of course, some will become successful at handling their own dog. Everybody has to start somewhere and we need to encourage, not discourage.

We are a diverse group. We have folks that love conformation, obedience, rally, herding, barn hunt, scent work, Schutzhund, tracking, Fast CAT, lure coursing, etc. Just because some of these aren't "your cup of tea" doesn't make them any less important. I've always heard that we have the most versatile breed. So why not encourage people to get out of their comfort zone and try a new dog sport.

The same could be said for clubs that try new ideas. A couple of years ago we voted to offer NOHS (National Owner-Handled Series) at our shows. It wasn't a huge hit BUT we did award BOBOH to two young ladies in Augusta last weekend. Both were super excited to see a specialty club offering this. It cost the club a little money for ribbons, and trophies and it was so worth it. I hope we continue this as I believe it's a step in the right direction and is encouraging to many newcomers to the sport.

Sponsoring the Fast CAT events in Augusta turned out to be a money maker for our club. We tried something new and it paid off big time. The events were all breed but some GSD folks gave it a try and enjoyed it. Some of our members didn't agree with us sponsoring the events. Trying new things isn't always easy but is often necessary. All the numbers aren't in yet but I suspect Fast CAT brought in more money than the conformation entries. Think about that for a moment.

Let's not be the next club to fold. Let's be the club that encourages & welcomes newcomers, the club that embraces new ideas, and the club that continues to be advocates for our fabulous breed.

Magua finished his championship on 8/27/17 in very few shows. We recommend Magua for improving substance, strong male heads, strong ears, and overall "type". He has a high ball drive and excels at performance work. He is built to work and his moderate angulation makes him perfect for taking on tasks that these dogs should be able to do. He has an excellent pedigree with some of the top producing dogs.

George and Alice Carnahan's Ty is proud to announce that he has completed the requirements for his Rally Novice and Rally Intermediate titles. This rare masterpiece is dedicated to the imagination and the courage of Dorothy Eustis who played a major role in the development of the first Seeing Eye Dogs. Ms. Eustis went to Switzerland where she established a breeding / training program using German Shepherd Dogs who displayed identifiable characteristics needed to lead the blind. Her success resulted in the first Seeing Eye Dog being exported to the US. People watched in awe as they witnessed, for the first ever, a German Shepherd leading a blind man through a busy intersection in a major US City. **MUST BE HANDLED WITH CARE**

STRUCTURE & TERMINOLOGY – Edward M, Gilbert, Jr. & Thelma R. Brown
